

CONSOLIDATED TAX RATES BY TAX CODE AREA

The following list displays total rates by tax code area within Clackamas County. Code areas are determined by tax district boundaries and identify which mix of districts an account will pay property taxes on. District rates are grouped by the following *Measure 5 categories within each code area.

Education	Includes levies for operations and/or equipment for school grades K-12, community colleges and the ESD (Education Service District), which is the administrative body for schools K-12.
Local Government	Generally includes services such as city, fire, water, lighting, transportation etc.
Bonds	Generally include levies for repayment of capital construction projects already approved by the voters within each of the perspective district boundaries.
Total	Consolidated tax rate, times the properties assessed value, per \$1,000 equals the tax amount before the *Measure 5 tax limitation is applied.

***Ballot Measure 5 Tax Limitation:**

Taxes are limited to \$5 per \$1,000 of Real Market Value for Education taxes and \$10 per \$1,000 Real Market Value for Local Government taxes. Bonds are not subject to the Measure 5 limitation.
